

REMARKS

The last Office Action has been carefully considered.

It is noted that in the Examiner's opinion the present application relates to different inventions, namely a method of producing wiper arms, and a wiper arm.

With the present communication applicant has elected for further prosecution the invention related to the method for producing wiper arms.

Claims 1-4 are readable on the elected invention. At the same time, claims 5-9 related to a wiper arm have been canceled and made the subject matter of a divisional application.

Consideration and allowance of the present application is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in

formal respects in order to place this case in condition for final allowance, then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, he is invited to telephone the undersigned (at 631-549-4700).

Respectfully submitted,

Michael J. Striker
